

## **Experienced Bat Ecologist**

**Salary: Competitive depends on experience**

**Position: Full time/Permanent**

**Location: Bristol**

### The opportunity

This is an exciting opportunity for an experienced Ecologist with a bat specialism to join an established but fast-growing consultancy in Bristol.

Whilst we are keen to attract an ecologist with a bat specialism we also require this individual to have other more generalist skills that would allow them to be able to contribute to other types of surveys, be confident at managing projects and writing EcIA's and other reports.

### **Essential skills and experience**

- At least four years consultancy experience (not just ECoW or surveys but writing reports and project management)
- Excellent communication skills including report writing and client liaison
- Thorough knowledge of wildlife legislation and the planning system leading to confidence in providing technical advice to clients.
- Minimum Class 2 Bat licence
- Full range of survey skills including habitats and protected species surveys
- Be a member of CIEEM
- Attention to detail and the ability to deliver contracts on time and to budget
- A client-focused approach where the commercial element of each project can be understood and appreciated
- The ability to work in a team or for longer periods of time alone
- Flexible approach to working hours to accommodate seasonality and survey time constraints.
- Full driving license

### **Desirable skills and experience**

- Strong BNG experience

- A full membership with CIEEM
- Experience of writing ES chapters and or HRA's
- Experience of writing Bat EPSL applications, preferably held in your name
- QGIS skills

### **Salary and benefits**

- A salary to match your grade and experience
- A fun and friendly non-corporate working environment
- Plenty of CPD opportunities
- Paid leave to volunteer for a charity
- Company socials
- Your birthday off work
- Contributory pension scheme
- All TOIL given back across the year
- Sensible/not high amount of bat surveys expected!
- Flexible home working options and hours of work
- Increasing annual leave with length of service
- Additional leave can be bought
- Paid professional membership
